## TRANSPORTATION USER'S GUIDE

Can't stand traffic jams? Hesitant to come because you are not sure how to get here? Afraid you will end up stuck until dawn? The most practical and ecological way to come to Montreux during the Festival is to use public transportation.

During the Montreux Jazz Festival, SBB expands its offer by reinforcing regular trains and running special trains. Bus lines operated by HelvéCie depart from Montreux Train Station in the direction of Berne and Geneva. For more information, please check our website.
