Application review

The culinary tradition upheld by the Montreux Jazz Festival encourages us to seek concepts based on quality and diversity. We prioritise innovative concepts that meet the expectations of festival-goers. As space is limited, unfortunately, we will not be able to accept all applications.

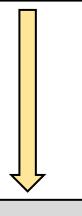

Selection of stands

In the course of spring 2026, you will be informed of the decision made by the Foundation du Festival de Jazz de Montreux.

If the decision is **negative**, you will receive an email notifying you of our decision. If the decision is **positive**, you will also receive an email outlining the next steps to follow, along with a series of forms to be returned.

Positive response

Once you are informed of your selection for this edition of the Montreux Jazz Festival, the F&B department of the Foundation will contact you to:

- Review and sign the contract, as well as the initial invoice.
- Verify operational details (electricity requirements, stand size, equipment rental, etc.) through a series of forms.
- Test your products if necessary and discuss the quality/price ratio.
- Finalise the stand's offer and prices, as well as the menus dedicated to staff.
- Review your decoration and layout project.
- 1. You will then need to return the final contract signed by the stand manager, the remaining forms and required documents, along with proof of payment of the invoice.
- 2. Attend the hygiene briefing prior to the Festival.
